

# SIoux FALLS YOUTH HOCKEY PICTURES

For the 2020-2021 season, we are going to take off-ice pictures in the front conference room. With COVID, we are doing all pictures “green screen”. There will be no picture packets handouts. The photographer will blend all players to their team for group photos. All players should be in full gear except helmets. After pictures are completed, you will receive communication from Define Who You Are – Chris Jeffries, on the online ordering process.
