

**Subject: Update New Referee Uniform for 2018**

To: National Federations and United World Wrestling Referees

Dear all,

We would like to take the opportunity to update you regarding the referee uniform situation as we are aware of the many questions evolving around this topic.

Unfortunately, at this point of time we are still waiting to have a complete uniform ready for men and women, while continue working on the customisation and quality of the uniforms. In order to fulfil our requirements, Nike Wrestling added dedicated staff to their existing team to ensure the success of the UWW referee uniforms and we are very pleased with the effort the additional staff is putting into get the referee uniforms ready.

We have decided to suspend the UWW online shop until further notice to ensure everything can be ordered at the same time without items missing. Once we will receive more detailed information on the relaunch we will inform you about the details and timelines.

Therefore, we kindly ask you to continue wearing your recent uniforms until further notice.

Best regards,

Nenad Lalovic,  
President, United World Wrestling
