## MBT/GSTC Tournament Fees

- AVTB Board will only pay for state bids that were earned during tournament play.
- MBT sends one invoice for every AVTB team playing in a MBT State Tournament, even At-Large.
  - Teams applying for a MBT At-Large state bid must inform Alli and submit payment payable to AVTB.
- GSTC At- Large bids are also the responsibility of the individual teams and payment is due at online registration

## VMS Fields

- Chalk ordered

## Umps

- No shows are not unique to us or RE Umpires.
- Stay with RE Umpires as joining another umpire assignor will only stretch resources thinner.

## Summer Camp -

- Board made the decision that we would not be holding the summer camp this year. This decision is based on the current financial status of AVTB and the amount of time and AVTB personnel needed.

## Fall Ball

- When should we open Registration? Will include it in the email to coaches, and will ask coaches to take a role in promoting it.
- Registration will open by Friday June 9th.

## May Tournament Recap

- Alli is still waiting on a few invoices (Umps). Rough estimate of total revenue for May Weekend is: \$14,000.

- How to pay for high schooler's hours? Four hours to Caleb Engelbrecht for fields shift. Ann will work it out with Concessions money and will document it.
- Gift Card for Doug Cornelius - He helped Jerry Stoffel at AVHS and Jerry requested if it would be possible to give a small gesture of appreciation
  - Alli will purchase and send to Doug
- Will have June tournament numbers by the next meeting.
