

Hello SHAW families!

My name is Kevin Clark and I am running for Secretary this year. My family has been with the SHAW organization since 2008. My wife Tala and I have two boys, Elijah and Brady, both of whom will be playing high school hockey with SHAW next year. I had little idea 12 years ago how huge of an impact hockey would have on our lives. From the tournament trip memories to new friends who have helped us through trying times, our time with SHAW is something I would not change.

For the past 10 years, I have worked in the Public Safety Department at the Medical College of Wisconsin. I am currently the Senior Lieutenant of Administrative Services. Prior to my promotion I was the second shift Lieutenant and supervised patrol functions. In my current role, one of my main responsibilities is compliance. I am responsible for the department's compliance with our accrediting agency, as well as compliance with federal law governing crime reporting and crime statistics on higher education campuses. Both duties require an attention to detail and timely communication which, I believe, would assist me in the role of Secretary.

I believe communication is a vital role for a healthy organization. As Secretary, my goal would be to respond/route information to the appropriate person in a timely fashion. I would also look for any ways to improve the communication process as well as perform any other duties assigned to me. My family has only a few short years left with SHAW and it would be a privilege to give back to an organization that has given us so much. Thank you for your time and see you at the rink!

Respectfully,

Kevin Clark
