Welcome!

SPYBA Mission Statement

To provide opportunities for the growth and development of young athletes in our community through a focus on fundamental athletic skills, cooperative spirit, good sportsmanship and hard lessons through both successes and failures through the sport of baseball.

SPYBA Philosophy of Operation

The Stevens Point Youth Baseball Association (SPYBA) is a recreation and travel league open to all boys and girls within the age limits determined by the National Babe Ruth Association living in the Stevens Point area. The primary objective of our leagues is to promote the fun and fair play of baseball. Fundamental skills, safety, sportsmanship, teamwork and honesty are emphasized at every level of play. Winning is not emphasized in our recreational leagues. Opportunities for more competitive play are offered via our Tournament Teams. Coaches, umpires, and parents should all act as role models and understand the importance of participation in youth baseball.
