2023 Non-National Bound House/Recreational State Tournament Rules

ASHA maintains a Zero Tolerance Policy from all participants at State Hockey Tournaments. All associations within ASHA require players, coaches, and parents to sign code of conducts.

Please remind your association members of this and ask them to be that person in the crowd that stands out as a positive role model for all.

A. MANDATORY COACHES AND CREDENTIALS MEETING

1. An opening meeting for all teams participating in the tournament **shall be held** prior to the start of play at a time and place to be set by the on-site Tournament Director. This will usually be the night before the tournament starts. **All participating teams are required to have a team representative as listed on their 1T.** No one person may represent more than one team at this meeting unless prior approval is granted by the VP of Tournaments. **Failure to have a team representative present shall result in the suspension of the head coach, as listed on the team's official roster; from that team's first game of the tournament. For the 2023 State Tournaments this meeting may be in person, via phone, Zoom, or other communications.**
2. No protests regarding the rosters and/or players shall be accepted after completion of the coaches' meeting for your respective tournament.
3. Teams shall declare their light and dark jerseys they will wear during the tournament games. This will allow the Host to provide pinnies if needed.

B. SCHEDULES AND FORMATS

1. All Alaska State Hockey Association (ASHA) state tournaments will be played using the current ASHA Handbook Appendix C State Tournament Format.
2. Seeding for this tournament was established using a Random Draw by the House/Rec Council. The team listed first on the schedule will be the home team in all pool play games.

C. NUMBER OF PLAYERS

1. A maximum of twenty (20) players, including goalkeepers, shall be permitted to play in a game. The maximum number of players, excluding goalkeepers, shall not exceed eighteen (18). It is highly recommended that all teams arrive at the State Tournament with two (2) goalkeepers qualified under the rules. Teams that are unable to arrive with a backup goalkeeper shall be permitted, with approval of the VP Tournaments, to use a substitute emergency goalkeeper from the same age classification in a lower level (Tier I, II, then house/re.) team within the same association or affiliate. Selection order should start with the same age classification (lower-level team) first and if not available, then move to the next younger age classification (any tier, house/rec.). The substitute emergency goalkeeper shall only be permitted to participate in a game in the event of extenuating circumstances and with the approval of the on-site Tournament Director or ASHA VP of Tournaments.

D. UNIFORMS

1. All players must wear team jerseys. If a team jersey is unavailable, the player must wear a non-duplicated, numbered jersey close to his/her team color. Home teams will wear their light color jersey and visiting teams will wear their dark color jersey.

Copies of all protests must be submitted to the Tournament Director and/or the ASHA VP of Tournaments.

7. A tournament status board will be available for each tournament at the ice arena. For the 2021 State Tournament an App may be used.
8. No lighted signs are to be hung/taped on the glass. Obnoxious noise makers such as cowbells, foghorns, whistle, etc. are not permitted. The playing of tasteful recorded music and sounds during stoppages of play will be allowed with the permission of the VP of Tournaments.
9. Forfeits are awarded if one team has failed to appear on the ice at game time plus 5-minutes. The score of a forfeited game is 1-0. Teams that intentionally forfeit a game in a state tournament shall be disqualified from the tournament. The ASHA VP of Tournaments or her designee makes the final determination as to whether a team intentionally forfeited a game.

Overtime Procedures for Quarterfinals, Semifinals, Championship Games All Games

The tied teams shall receive a two (2) minute rest period. Ice shall be resurfaced prior to the start of each game and after the 2nd period of the 18U Championship game only. Ice resurfacing for all Cross-Over games and Championship games, will be done at the end of the 1st overtime and every two overtime periods thereafter. **Teams shall switch ends at the end of the third period.**

Process to Determine Quarterfinalists, Semifinalists and/or Finalists

During preliminary rounds, each team will be awarded:

- two (2) points for a win
- one (1) point for a tie
- zero (0) points for a loss
- in Round Robin Games, ties are ties.

Tie-Breaking Rules to Determine Standings Position If two or more teams have an equal number of points, their position in the standings shall be determined by the following tie-breaking rules listed below. If at any point during the application of the tie-breaking rules, any or all the teams can be seeded higher or lower than the other teams, the seeded teams will be placed in their position in the standings and the tie-breaking process will begin at Step 1 for any teams that remain tied.

Note: If all tied teams have not played each other, the tie-breaking process will begin at Step 2.

The tie-breaker rules are as follows:

1. Step 1: The results of only the head-to-head games played between the tied teams in the following order: a. Most points earned. b. Most total wins (whether in regulation, overtime, and shootout). c. Most regulation wins. d. Differential — Subtracting goals against from goals for in these games, the positions being determined in order of the greatest surplus. A maximum goal differential of plus or minus eight (8) per game will be used in tie-breaking rules. e. Quotient — Dividing the goals for by the goals against in these games, the positions being determined in order of the greatest quotient. If a game has a goal differential of more than eight (8) goals, the goals for will be decreased until there is a maximum of eight (8) more than goals against in each game prior to dividing (i.e., 10-1 game would use 9-1 for purposes of quotient. A quotient involving dividing by zero (0) has higher standing than a quotient from dividing by any number other than zero. Where two or more teams have no goals against and the quotient tie breaker is required, the teams shall be ranked high to low in descending order of “goals for.” **35** f. Most

periods won — In the games played by each tied team, points will be awarded for each regulation period won (2 points) and for each regulation period tied (1 point). Positions shall be in the order of highest point total.

2. If all tied teams have not played each other, the tie-breaking process begins at Step 2. For teams that began the tie-breaking process in Step 1, if after applying the formulas of 1 a, b, c, d, e or f the tie still exists, continue to Step 2.

Step 2: The results of all the games played by the teams tied in the following order. a. Most total wins (whether in regulation, overtime, and shootout). b. Most regulation wins. c. Differential — Subtracting goals against from goals for in these games, the positions being determined in order of the greatest surplus. A maximum goal differential of plus or minus eight (8) per game will be used in tie-breaking rules. d. Quotient — Dividing the goals for by the goals against in these games, the positions being determined in order of the greatest quotient. If a game has a goal differential of more than eight (8) goals, the goals for will be decreased until there is a maximum of eight (8) more than goals against in each game prior to dividing (i.e., 10-1 game would use 9-1 for purposes of quotient). A quotient involving dividing by zero (0) has higher standing than a quotient from dividing by any number other than zero. Where two or more teams have no goals against and the quotient tiebreaker is required, the teams shall be ranked high to low in descending order of “goals for.” e. Most periods won — In the games played by each tied team, points will be awarded for each regulation period won (2 points) and for each regulation period tied (1 point). Positions shall be in the order of highest point total. f. Lowest number of penalty minutes — Calculate the number of penalty minutes accrued during all preliminary round games. The teams shall be ranked low to high in ascending order of “penalty minutes for.” g. Quickest first goal — The team that scored the quickest goal in their preliminary round games shall be ranked highest.

3. If the above procedure does not break the tie, the teams shall use a shootout procedure as previously described.

Note: A team may go into the tie-breaking process having defeated another of the tied teams and still not advance. **36 Note:** If a team forfeits any of their games, and becomes involved in any tie-breaking formula, the team that forfeited will not advance and all games played against the forfeiting team shall be recorded as 1-0 victories for all opposing teams.
