Committee Reports:

Officials Committee – Kate Knafla Shared that Vito Bloyer has passed his regular judge cert! Yay!! Kate would like to emphasize here clinics are well structured and smoothly ran. Updates on officials: Bob is getting close to regular. Anna DeNeut needs one more CJ to begin testing for senior. Dan Larson needs one more ACJ and a few tournaments as scorer to begin testing for regular. Clinic fees can be reimbursed through Midwest Region.

Web/Media – We should get an extra individual involved to help document and post things to social media during tournaments and events. MWSA will create a social media page to post to in addition to the website. Dan Larson will create an instagram handle as a start.

Junior Development – Maddy Wegleitner has confirmed full at Center City and full at Quarry. Three participants confirmed at New Germany.

New Business:

Tournament Formatting — Rekindled conversation on how to make tournaments “fun”, and attract new and seasoned skiers to join us for them. Darren recommended bringing information to the next meeting on what Michigan and Ohio are doing. Is there another lake to host another “L” tournament in state?

Center City warmup/record — Would making it a pick and choose be helpful?

Skier sponsorship — Due date is April 1st. Dan will send out another email as a reminder. Collegiate and High School Junior/Senior MWSA skiers can apply.

Trophy budget — how much trophy do we need to do? Wood engraving is an option. Vinyl printing and medals is another.

Congrats to Steve Nelson for winning a worlds title!**Old Business:**

L Class Events — Motion was made and carried that for any event with an L Class category that there would be an up-charge of \$25 per skier, and that an L skier was not part of a family registration.

Ski Nights — MWSA to sanction a season-long practice to bring back Ski Nights. Additional information to be discussed at future meetings. Scott Gordon and Justin Bloyer both expressed interest in hosting an event. We will use the mailing list as well as Facebook to communicate these dates and details. Sanctioning these
