

SOCCER – WEEK 3

It has been an interesting start to the season with "lovely" weather and high level competition. That trend looks to continue this week.

Another trend would be opposing teams dropping or rescheduling JV matches. Unfortunately, there are no JV matches this week. It is for that reason that they will practice only 3 days this week (M, W, and Th). They will get the nights off when the varsity travels for games on Tuesday and Thursday.

I am sharing the snack/meal schedule today and will continue to share the transportation schedule which has proven very helpful to me so far this year.
