SportsEngine Mobile App
Start-Up Guide

Downloading the App

The SportsEngine mobile app is available for iOS and Android devices on the Apple App Store and Google Play.

On an iOS Device
1. On your device, open the App Store.
2. Search for SportsEngine.
3. Tap the Get button to begin installing the app.
4. Open the app on your device.
5. On the Settings tab, tap Account > Sign In.
6. Use your SportsEnginelogin information to sign in to your account.

On an Android Device
1. On your device, open Google Play.
2. Search for SportsEngine.
3. Tap the Install button to begin installing the app.
4. Open the app on your device.
5. On the Settings tab, tap Account > Sign In.
6. Use your SportsEngine login information to sign in to your account.

Logging In

There are two ways to log in to the SportsEngine app using your email address - you can use your password, or use a magic link that is sent to your email address.

Using a Password
1. Enter the Email Address associated with your SportsEngine account.
2. Tap Next.
3. Enter your password, then click Sign In to type in your password manually.

Using a Magic Link
1. Enter the Email Address associated with your SportsEngine account.
2. Tap Next.
3. If you'd like to receive a magic link in your email that'll sign you in instantly, tap Email Me a Magic Link!
4. Tap Take me to my Email App.
5. Locate and select the email containing your magic link, and click Sign In.

Find and Follow Teams

Finding and following a team is different based on whether you are a rostered member or partent/guardian, or a fan.

Following a Team as a Rostered Member or Parent/Guardian
If you are a rostered member or a parent/guardian of a rostered athlete on an active team, your team will appear on the Teams tab by default. If you are unsure whether or not Hockey in New Jersey has activated your team, you can check if your team is visible on the SportsEngine website.

Finding and Following a Team as a Fan
If you're a fan of a rostered athlete, you can follow the team(s) using these steps:
1. From the Home tab, tap the Search icon.
2. Enter the Team Name.
3. To the right of the Team you wish to follow, tap the Star.
   • A blue star means you are following the team.

Removing a Team from Favorites
1. From the Home tab, select the Team you wish to remove.
2. In the lower right-hand corner, tap the Star.
3. Tap Remove to confirm.

Schedules

Use schedules to view future events for your team(s).

View Schedules for All Teams
1. Tap Schedules.
   • Upcoming and most recent events are displayed first. Scroll to view past events.

View Schedules for Individual Teams
1. From the Home tab, select the Team you wish to manage.
2. Tap Schedule.

SportsEngine Mobile App
Start-Up Guide (continued)

Messaging
1. From the Home tab, select the Team you wish to manage.
2. Tap Messages.
3. Tap the + icon.
4. Tap To.
   • You may select All Players and Staff or select Individual Teammates.
5. Once all desired recipients have been selected, tap the Checkmark.
6. Tap Subject and input all desired information.
7. Tap Message and input message body.
8. Once satisfied, in the upper right-hand corner, tap the Send icon.

Send a Team Chat
Please note that Team Chats are Push Notifications. Unlike text messages, which go through a mobile carrier, push notifications are sent/received by your phone's operating system.
1. Within the Home tab, tap the Chat button in the team you wish to message.
2. Enter the desired message.
   • To include attachments, tap the Camera icon in the message bar.
3. Once satisfied, tap the Paper Airplane icon to send.

Team Information
Use the mobile app to view stats and standings for your team. Please note this feature may be disabled. If you cannot see your team standings and believe this to be in error, please contact Albert Gregorio at agregorio@hockeyinnj.com.

Team Standings
1. From the Home tab, select the Team you wish to manage.
2. Tap Standings.
   • If applicable, you may filter by season.

Team and Player Stats
1. From the Home tab, select the Team you wish to manage.
2. Tap Stats.
   • Tap the Player Stats tab to view individual stats.
   • Tap the Team Stats tab to view team stats.
   • If applicable, you may filter by season.
