HOC Report

Hockey Operations Committee (HOC) Monthly Report

October 2024

Meetings:

HOC Meeting 9/25/2024

- Finalized everything leading up tryouts

Peewee Coach Interviews - 9/30

Bantam Coach Interviews - 10/1

- All went well, good turn out for both levels and good conversations

Bantam Parent Meetings 10/7

Peewee Parent Meetings 10/8

- Went well, good turn out for both levels

Dynamics/Tryouts

- Finished up Dynamics on 10/8, coaches were good about getting rankings and were able to get Pools out Wednesday at 4PM
- Tryouts started 10/10 and finished up on 10/13, overall went very smoothly in the process. Evaluators did a really good job with notes on the kids, which I will need in the coming days.
- Teams were sent out Sunday 10/13 at 6PM
- We have had 1 Bantam Goalie decide to not play this season, need to find an option for his replacement

Scheduling

- All in all going well, not much time the last month to add additional scrimmages
- D5 scheduling has a hard close on 10/21, currently have most associations done, just waiting on a couple to set up meetings
- D10 game slots need to be turned in yesterday 10/13, ours are all in.
- We should have both D5 and D10 schedules approved in the next 2 weeks and will get them loaded to team pages and calendars

Mites

- I watched some of the mite practice on Sunday, and it looked great! Talked to Emily and she said it was the smoothest start to a season she has been a part of.

Next steps

- Get PW/Bantam dynamic and tryout information out to parents that request it
- Lock in planning for Squirt tryouts coming up at the end of the month
- Get back to scheduling scrimmages and loading data into the software

Respectfully submitted by Jaime Burris - 10/14/2024
