EVENT RULES/POLICIES

1. STMA YDT will provide warm-up balls and carts. Please do not bring any volleyballs.
2. **NO OUTSIDE FOOD OR DRINK IS ALLOWED IN THE SCHOOL.** Players may bring in water in a non-breakable bottle only. There are no coolers allowed; there will be extensive concessions available within the facility. Please keep all food and drinks out of the gym.
3. Doors will open at 8:30. Admission fee for spectators at the door - \$3/adult, \$2/child.
4. **No ball handling is permitted in the halls or common areas.**

COMPETITION RULES

1. **3 sets per match.** All 3 sets will be played (25-25-15), regardless of who wins the first 2 sets. No cap. Time between sets is 3 minutes. Time-outs are 30 seconds (2 per set).
2. **Warm-up.** Warm-up clock begins immediately upon completion of the previous match. Time allotted for warm-ups for each team's first match is ten minutes (2-4-4) and six minutes (2-2-2) for each match following. If teams would like to shorten or split the warm-up time differently, that can be discussed between coaches and officials of that match.
3. **Serving.** Coaches and officials will determine the service line for their matches. We would like to see rallies and play rather than a lot of missed serves. After 4 serves in a row, team rotates to the next server.
4. **Officiating.** At the 12-and-under levels a registered coach who has attended an officiating clinic must be the "up" official. Please have an additional coach or a parent available to help with the scoring.
