

STAFF USE OF DOME

Policy regarding Staff use of dome for personal use.

OPTION 1

Facility is staffed by someone other than you - if a Batting Cage or a field has not been rented, but the facility is staffed due to other rentals, you are welcome to come in and utilize the space

OPTION 2

If you open, you are welcome to come in up to 45m prior to the start of your shift - clock in at the start of your shift - not at the time when you enter the Dome. Please let Dome Manager know of your plans

OPTION 3

If you close, you are welcome to stay 30 minutes past your shift - clock out when your shift ends. Please let Dome Manager know of your plans

OPTION 4

If a Renter is a no-show during your shift and there is no one in the Dome - feel free to utilize a field or Battng Cage - again this is if no one is in the Dome.

Our long-standing employee Rudy has been grandfathered in with access to run in the Dome during off hours
