Dear Corporate Donor,

The Camarillo Stingers Youth Football & Cheer is a youth organization dedicated to teaching the game of football and the art of cheerleading. First and foremost, we are a community program. Our participants and their families are part of this city and its surrounding area. This is where they live, work, go to school, and spend their free time. As an even greater step towards knitting ourselves into the fabric of this community, in 2022 we re-branded to join our local Camarillo High School in sporting Blue & White, and adopted the Scorpion Stinger. An endeavoring catapult toward expanding the youth football community in Camarillo.

We are not solely focused on physical fitness. We instill an understanding of our student athlete's individual role within a team, their community, and the world around them. These lessons will carry through to their everyday life, today and in the future. Our vision is to raise up outstanding, honorable, contributors to our society with the hope that these kids will grow up and contribute to the community they call home. Strengthening and establishing a safe, sound, and stable family-oriented city.

As we celebrate our 19th year in operation, we need your support. Our nonprofit organization is faced with rising cost: from the increase in costs for the high-quality equipment we provide to increased operating expenses for ref fees, league dues, and other safety protocols, we need to ensure our players' safety, as well as the rising cost for uniforms, field space, sanitation cost and insurance. We cannot sustain our quality program on our registration fees alone.

We ourselves also give back to the community by offering scholarships which allow those without financial means a chance to play or cheer.

We have approached you because we feel this is your target market. Camarillo Stingers has HUNDREDS of families loyal to our supporters as well as marketing that will be visible to teams and families visiting from our community from throughout the extended Ventura County area. Let's partner today to invest in the future families of tomorrow.

Our current Goal is to raise \$75,000 and we would appreciate your contribution to make this a reality.

We ask that you consider making a generous, tax-deductible donation to our Youth Organization.

This year we are offering 9 donor levels (available individually or in tandem) :

\$2,500 – GOAT

- All of the MVP level items
