

## FC Wichita Scholarship Policy

FC Wichita has established a limited amount of pooled funds to provide financial assistance to players from low income families who cannot afford the full cost of our competitive program. Financial aid only applies to the Club's fees **not uniform, league/tournament fees, or travel expenses**. The maximum discount for these fees is 70%. Eligibility for financial assistance is based on verified household income in accordance with the guidelines established for the Federal WCI program and on the availability of funds. For more information, please contact David Chacko at [dchacko18@gmail.com](mailto:dchacko18@gmail.com). In addition, there are several fundraising opportunities for families who would like to participate in them. Many FC Wichita families help offset their fees by using the fundraising setup by FC Wichita.
