NOTE:

- Selected players will receive an e-mail from USA Hockey detailing the registration process and other pertinent information via the online registration tool. Notification should occur within 1-2 weeks of the conclusion of the NY Camp (may also want to keep checking your spam folders as well).***
- Once the email is received families need to complete the online registration as soon as possible. If players do not register by the cutoff date(s), it may result in them losing their position at camp***
- Identified alternate players (and we do not share this information within any person or entity other than the national office) will only be activated at the direction of USA Hockey's national office, consistent with the programs protocol. The NY District has no say or input into an alternate's election to the national 15 camp***
- Congratulations and good luck to all the NY 2011 birth year players who were selected!!!***

Yours in Hockey,
