

WHY & HOW TO RSVP

RSVP'ing confirms attendance for your son or daughter and is a huge help to our volunteer coaches. RSVP'ing is simple and can be done for any practice, game, or event that is listed on the calendar.

To RSVP follow these simple steps:

1. Log-in using your email & password
2. Default should take you to the "**Family Members**" page, if so continue to step 3. If not, click on the "**Home**" tab then "**Edit My Account**" - This will bring you to the "**Family Members**" page.
3. Click on the small calendar icon next to your child's name.
4. In the "**Event Schedule**" page you can now RSVP for any event by clicking the dropdown menu to the right of each Practice, Game, or Event.

It's that simple and we truly appreciate your help!
