Minutes

- Agendas and meeting minutes from February 25, 2024 were distributed and reviewed. A motion was made by Younggren, second by Seibert, to approve the minutes as presented. Motion passed, 8-0.

Financials

- Nothing to discuss this month.

OYBL

- Brockman is planning to be the site coordinator again for the 2024-2025 season.
- We will need a new OYBL Director for the 2024-2025 season.
- Survey results:
 - Coach surveys: Mostly positive feedback; some concerns brought up about 1st/2nd grade 3 on 3 spacing; some comments on refs, mostly positive, but Younggren brought up having Steve Garvoille hold ref clinic in future years.
 - Parent surveys: Mostly positive feedback; some comments about coaches not always available due to coaching other teams (may need to look for additional/new parents to volunteer to coach).

Travel

- All uniforms are returned, other than a couple of teams.
- BDL recap:
 - Girls teams all seemed to be in the correct divisions, other than 8th grade girls team maybe should have been down a division.
 - Boys teams all seemed to be in correct division. 8th grade boys black team may have been in too high of a division.
- Survey results:
 - Coach surveys: Limited feedback, mostly positive; some thought there were evaluation concerns, but don't seem to be warranted based on comments by Seibert and Wamsley.
 - Parent surveys: Positive feedback for the most part; only common theme that came up in multiple surveys was regarding the 4th grade boys "tournament" team and whether boys not on that team were offered as many opportunities as they could have.

Scholarship Committee

- Let Younggren know if interested in serving on committee, applications are due in April.

Off – Season Workouts

- Seibert and Wamsley will coordinate with Younggren; will be good to get Next Level workout dates finalized soon.

Board Member Updates

- Hopefully everyone is interested in being on the Board for 2024-2025; feel free to pass along any information to interested individuals.

School District Update

- Heitz will put together instructions for unlocking/locking doors at the various facilities for next season.
