

OPENING UP BASKETBALL AGAIN

One Day Shootouts will provide weekly updates on our plan to safely reopen basketball events in Illinois, Indiana, Iowa and Wisconsin. This information will help teams, spectators, and facilities understand when regional events will be able to reopen and how teams can get back on the court.

COVID-19 Event Guidelines

(as of 8/17/20)

One Day Shootouts wants to assure the basketball community that we take the health, safety and well-being of our event participants, attendees, and workers very seriously. As you are aware, there is a heightened awareness related to COVID-19 (the Coronavirus). We are monitoring health organization reports, including updates from the U.S. Center for Disease Control and Prevention (CDC), the World Health Organization (WHO), and others. The Centers for Disease Control and Prevention (CDC) has stated that our industry is considered a low risk category and should take the same basic precautions to prevent the spread of the virus as the common cold.

We will monitor national, regional, and local government alerts and information. As One Day Shootouts continues to track developments, we will re-evaluate our policies and implement new procedures as circumstances change. Please be assured our focus is on the health and safety of our participants.

For additional information and FAQs on the Coronavirus, visit the CDC website. If you have any other questions, please call us at 224-764-1329 or email info@onedayshootouts.com.

PROPOSED PHASED APPROACH

BASED ON **UP-TO-DATE DATA** AND READINESS

MITIGATES RISK OF RESURGENCE

PROTECTS THE MOST VULNERABLE

IMPLEMENTABLE ON **STATEWIDE OR COUNTY-BY-COUNTY** BASIS AT GOVERNORS' DISCRETION

Event Guidelines

(as of 8/17/20)

- Attendees – All States
 - One family members per player
 - Spectators are limited to immediate household members or guardians of participants
 - Individuals vulnerable to COVID-19 should not attend
- Capacity
 - Illinois – As of August 15, competitive games are suspended
 - Indiana – 1 family member per player, 250 person maximum
 - Wisconsin – 2 family members per player
- Masks Required
 - Illinois, Indiana, Iowa, Wisconsin
- Social Distancing – All States
 - Please maintain a distance of 6 feet from other attendees at all times

Restore Illinois All Sports Policy

(as of 8/17/20)

- As of Saturday, August 15, Illinois' new All Sports Policy goes into effect. Here are the important things you need to know:
 1. Basketball is classified as a "medium-risk" sport
 2. Medium-risk sports may only play at Levels 1 & 2
 3. Level 2 is limited to "intra-team scrimmages with no competitive play"
 4. **INTRA-team, non-competitive scrimmages** are defined as players from the same team engaging in a simulated practice game against one another. All players must be from the exact same team and the team is limited to 25 players. Games or scrimmages between players from two different teams is considered competitive play.
- Frequently asked sports-related questions as defined in the [Restore Illinois Phase 4 FAQ](#) document (as of 8/12/20):
 - **Can individuals and/or teams play competitive games out of state?**
 - Yes. Although not encouraged, the State currently does not have any travel restrictions in place that would prohibit out-of-state travel for competition. However, teams should comply with local orders prohibiting travel, or requiring self-quarantine if they travel to certain states
 - **Is there a limit for the number of people that can be on a team for medium risk sports?**
 - Yes, teams should not exceed 25 participants, excluding coaches

One Day Shootouts' Position

(as of 8/17/20)

Although we considered creating a scrimmage league with large virtual teams wearing generic jerseys, state representatives informed us those competitions would be considered illegal based on the 25-athlete per team limit and the intra-team scrimmage restriction.

Until Illinois reaches Level 3, we will continue to offer leagues and tournaments every Saturday / Sunday in both **Indiana** and **Wisconsin**.

Indiana Guidelines

(as of 8/17/20)

- Based on Indiana's strict 250 person limit, all teams are limited to **ONE FAMILY MEMBER PER PLAYER**.
 - This temporary gathering restriction is in effect until August 27.
- Coaches, players, spectators may **ENTER THE BUILDING NO EARLIER THAN 10 MINUTES BEFORE** the first scheduled game and must leave promptly after their last game.
 - There is a staging area for each arriving team. Please do not attempt to enter the court area until 10 minutes before your first game.
- All spectators are **REQUIRED TO WEAR A MASK AT ALL TIMES** in the building during the event.
 - We will have masks available for \$1.00.
 - Coaches, players and referees are required to wear masks before and after games (including bathroom breaks). Masks are not required when playing/warming-up.
- Coaches are **RESPONSIBLE FOR TAKING THE TEMPERATURES** of all participants and team spectators (coaches, players, parents, fans) before entering the building.
 - Teams should bring their own thermometers and take temperatures prior to entering the building.
 - We will have a limited number of thermal thermometers available.
- Please **OBEY ALL SOCIAL DISTANCING GUIDELINES** and maintain a distance of 6 feet from other attendees at all times.
 - Hammond Sportsplex has a wonderful viewing upstairs above the courts.
- ENJOY THE DAY!

Wisconsin Guidelines

(as of 8/17/20)

- All teams are limited to **TWO FAMILY MEMBERS PER PLAYER**.
- Coaches, players, spectators may **ENTER THE BUILDING NO EARLIER THAN 10 MINUTES BEFORE** the first scheduled game and must leave promptly after their last game.
 - Please do not attempt to enter the court area until 10 minutes before your first game.
- All attendees are **REQUIRED TO WEAR A MASK AT ALL TIMES** in the building during the event.
 - We will have masks available for \$1.00.
 - In absence of specific Wisconsin guidelines for youth sports, we are enforcing to the [CDC Considerations for Youth Sports](#).
 - “Face coverings may be challenging for players (especially younger players) to wear while playing sports. Face coverings should be worn by coaches, youth sports staff, officials, parents, and spectators as much as possible.”
 - Exceptions to Wisconsin’s mandatory mask guidelines include:
 - If someone has trouble breathing, masks don’t need to be worn.
 - If wearing a mask would put one’s health at risk, a mask does not have to be worn.
- Coaches are **RESPONSIBLE FOR TAKING THE TEMPERATURES** of all participants and team spectators (coaches, players, parents, fans) before entering the building.
 - Teams should bring their own thermometers and take temperatures prior to entering the building.
 - We will have a limited number of thermal thermometers available.
- Please **OBEY ALL SOCIAL DISTANCING GUIDELINES** and maintain a distance of 6 feet from other attendees at all times.
- ENJOY THE DAY!

PARTICIPANT GUIDELINES

Because precaution is the best policy, we also request that participants (coaches, players) follow the guidelines set forth below when participating in our events:

- ✓ Have each player bring or purchase their own source of water.
- ✓ Do not use water fountains or team water bottles.
- ✓ Remind players/coaches to pick up and discard all water bottles and sports drinks.
- ✓ If anyone is showing flu-like symptoms, or if you are uncomfortable having them participate in organized activities, please keep them home.
- ✓ Remind players to cover their mouth and nose when sneezing or coughing. Sanitize afterward.
- ✓ Remind players to wash their hands with soap or hand sanitizer after every game.
- ✓ Remind players to avoid touching their eyes, nose and mouth.
- ✓ All players should maximize physical distancing from others before and after games.

SPECTATOR GUIDELINES

Because precaution is the best policy, we also request that spectators (parents, fans) follow the guidelines set forth below when participating in our events:

- ✓ ALL VULNERABLE INDIVIDUALS should continue to shelter in place. Members of households with vulnerable residents should be aware that by returning to work or other environments where distancing is not practical, they could carry the virus back home. Precautions should be taken to isolate from vulnerable residents.
- ✓ If anyone is showing flu-like symptoms, or if you are uncomfortable having them participate in organized activities, please keep them home.
- ✓ All spectators, WHEN ATTENDING EVENTS, should maximize physical distance from others.
- ✓ Wash your hands with soap and water or use hand sanitizer, especially after touching frequently used items or surfaces.
- ✓ Avoid touching your face.
- ✓ Sneeze or cough into a tissue, or the inside of your elbow.
- ✓ Disinfect frequently used items and surfaces as much as possible.

VULNERABLE INDIVIDUALS

COVID-19 is a new disease and there is limited information regarding risk factors for severe disease. Based on currently available information and clinical expertise, older adults and people of any age who have serious underlying medical conditions might be at higher risk for severe illness from COVID-19. Vulnerable individuals include:

- ✓ Elderly individuals
 - 65 years and older
- ✓ People of all ages with underlying medical conditions, particularly if not well controlled, including:
 - People with chronic lung disease or moderate to severe asthma
 - People who have serious heart conditions
 - People who are immunocompromised
 - Many conditions can cause a person to be immunocompromised, including cancer treatment, smoking, bone marrow or organ transplantation, immune deficiencies, poorly controlled HIV or AIDS, and prolonged use of corticosteroids and other immune weakening medications
 - People with severe obesity (body mass index [BMI] of 40 or higher)
 - People with diabetes
 - People with chronic kidney disease undergoing dialysis
 - People with liver disease

EVENT GUIDELINES

Because precaution is the best policy, One Day Shootouts will follow the guidelines set forth below when organizing our events:

- ✓ We will limit tournament participation based on local mandates (coaches, players, spectators).
- ✓ We will provide hand sanitizer at all scorer's tables.
- ✓ We will sanitize all basketballs between games.
- ✓ We will sanitize all common and high-traffic areas throughout the day including the score's table and scoreboard controls.
- ✓ We will throw away all water bottles left in court area after games.
- ✓ We will schedule events to use non-adjacent playing surfaces (courts, fields) whenever possible.
- ✓ The competitive game environments will be designed for maximum social distancing.
- ✓ We will enforce temperature checks for employees and referees.
- ✓ We will continue monitor national, regional, and local government alerts and information.

A basketball with a stylized American flag design. The top half is red and white, and the bottom half is blue with white stars. The basketball is shown in a three-quarter view, casting a shadow on the surface below it.
