

GRAYSLAKE NORTH JR KNIGHTS

“BECOME A KNIGHT”

SPONSORSHIP FORM

Grayslake North Jr Knights is a non-profit, 501(c)(3) youth football and cheer organization established in December 2022. We serve as a feeder program for Grayslake North High School in D127. In our inaugural year, we welcomed over 200 athletes to our football programs and have since doubled in size! We are a fully volunteer-run organization dedicated to the program's success, supported by generous sponsorships and donations.

Our mission is to make football and cheer accessible to boys and girls in grades K-8th, preparing them to excel in high school programs. We strive to build confidence and leadership skills in our athletes while fostering lasting relationships for athletes and their families that will endure through high school and beyond. To keep our registration fees affordable to families we are relying heavily on sponsorships, donations, and fundraisers. Anything you can do to help us is greatly appreciated.
