4. Vice President-

We have had issues on the fields with soccer showing up. One team claimed to have a permit. If someone claims to have a permit please ask them to produce it, if they cannot they need to leave. Collect their information so we can discuss with the city. We had parking issues with the swim club blocking off our side instead of using their own parking. The city has been notified. Lights have been extended until 9:30pm.

5. All Star uniforms-

Glue has Sublimated Jersey option

- Opt One \$185** 1 White button down jersey
 1 pair of white pants with pinstripe and belt loop
 1 sublimated jersey
- Opt Two \$160** 2 pants and one jersey

After much discussion we decided glue with the white jersey, white pants would be out best bet, and get a sublimated jersey at a different location. Virtual vote to follow.
