Please list your basketball playing and/or other coaching experience:

Please describe your philosophy on coaching, player development, playing time, etc.:

Traveling basketball works with our high school coaches and NPBBA Board to provide the best experience possible for the players. Our expectation is coaches attend and participate in all coaching sessions as a requirement of their role and respond to feedback throughout the season. Do you see an issue with your ability to participate or take action on feedback?

Serving as a traveling basketball coach includes organizing one to three practices per week from October to March, volunteering 2-4 hours during the January NPBBA tournament, coaching in 5 to 10 weekend tournaments and communicating regularly with parents about practices and weekend tournaments.

Do you see an issue with your ability to participate in at least 90% of practices or tournaments if serving as a Head or Co-Head Coach? Do you have concerns in participating in at least 75% of practices or tournaments if an Assistant Coach?

Please list 3 references (with name and phone number)

These may be personal, work related or include anyone you have worked with while on another coaching staff.

Each applicant will be subject to a criminal background check.
