2. *Charging ... when the ball is not within playing distance...*

## NCYSA Discrimination Policy:

### 8.2 NCYSA Policy

For this purpose, Discrimination will be defined as anyone who offends the dignity of a person or group of persons through contemptuous, discriminatory or denigrating words or actions concerning race, color, language, religion, gender, origin or sexual orientation.

When an allegation of Discrimination is verified by NCYSA the person is automatically suspended until the hearing on the act of Discrimination. The hearing will take place within 30 days of the notice.

Anyone found guilty of discrimination will receive the following suspensions.

#### PLAYERS

1st offense	Minimum 5 matches
2nd offense	180 day suspension; must complete Diversity training course before re-instatement
3rd offense	1 year Suspension; probation for remainder of Youth Eligibility

ADULTS: Includes but not limited to Coaches, Referees, Spectators

1st offense	Minimum 90 days
2nd offense	180 day suspension; must complete Diversity training course before re-instatement
3rd offense	Lifetime Suspension

## NCYSA Policy on Heading:

**From a Letter dated August 29, 2016 from M. Keith Price, President of NCYSA and Chairman of NCYSA Risk Management to all member associations of NCYSA**

*NO HEADING is allowed in any small sided match (12U and younger).*

*In matches for 13U and older, the roster/team could include 12U and younger players. A 12U player on the 13U roster/team, may head the ball. For the player 11U or younger playing on a 13U team or older, if heading occurs by a player 11U and younger, the referee will not stop play and issue an indirect free kick. It would be very difficult for a referee to be able during the run of play to determine if a player that heads the ball is 11U or younger or 12U and older. As stated by the Federation, it will be the coach and parent's responsibility to "police" a child 11U and younger on heading in a 13U and older match.*

If a player **deliberately** heads the ball in a game (12-U and Under only), an indirect free kick should be awarded to the opposing team from the spot of the offense. If the deliberate header occurs within the goal area, the indirect free kick should be taken on the goal area line parallel to the goal line at the nearest point to where the infringement occurred.

## UCYS Modifications:

A. Players receiving a red card (as an immediate red or a second yellow) will be immediately suspended. Suspended players may not be replaced in the game from which they are suspended. Further, UCYS requires the player to be suspended for an additional game (during which, the player's team shall not be required to play a person short). It is recommended the suspended player be required to attend the next game, sit on the bench, but not play in this additional game before the UCYS suspension is satisfied.

B. Denying a goal or an obvious goal scoring opportunity will result in a caution (yellow card), as opposed to a sending off (red card).

C. Players receiving a caution (yellow card) shall be removed from the game and can be substituted for.

D. For the 7-U and 8-U age groups, all fouls shall result in the award of an indirect free-kick. Direct free-kicks and penalty kicks shall not be employed. All rule infractions should be explained by the referee to the offending player(s).

**NOTE:** For a foul occurring inside the box, the ball will be placed at the nearest location outside of the box in the field of play and an indirect free-kick will be employed.

E. Slide tackling

7-U and 8-U

Slide tackling is not permitted at the 7-U and 8-U age levels; any infractions will result in an indirect free kick

9-U and 10-U

A slide tackle at the 9-U and 10-U age levels that would be deemed legal by FIFA standards will result in a warning by the referee to the individual player and instructions that they should stay on their feet going forward; a second slide tackle by the same player will result in an indirect free kick

11-U and Up

Slide tackling is permitted at any age levels 11-U and up; normal FIFA rules apply

---

## LAW 13: FREE-KICK

**FIFA LAW:** "Free-kicks shall be classified under two headings: "Direct" (from which a goal can be scored direct against the offending side) and "Indirect" (from which a goal cannot be scored unless the ball has been played or touched by a player other than the kicker before passing through the goal)..."

### **UCYS Modifications:**

For the 7-U and 8-U age groups, all free-kicks shall be indirect free-kicks.

---

### **LAW 14: PENALTY-KICK**

**FIFA LAW:** *"A penalty-kick shall be taken from the penalty mark and, when it is taken, all players with the exception of the player taking the kick, properly identified, and the opposing goalkeeper, shall be within the field of play but outside the penalty area..."*

### **UCYS Modifications:**

A. For the 7-U and 8-U age groups, penalty kicks shall not be employed. Instead, an indirect kick shall be awarded (see Law 12 for placement of the ball if a foul occurs within the goal area).

B. Refer to the UCYS Modifications under Law 1 for placement of the penalty mark for the various age groups.

---

### **LAW 15: THROW-IN**

**FIFA LAW:** *"When the whole of the ball passes over a touch-line, either on the ground or in the air, it shall be thrown in from where it crossed the line, in any direction, by a player of the team opposite to that of the player who last touched it..."*

*At the moment of delivering the ball, the thrower:*

- *faces the field of play*
- *has part of each foot either on the touch line or on the ground outside the touch line*
- *holds the ball with both hands*
- *delivers the ball from behind and over his head*
- *delivers the ball from the point where it left the field of play*

### **UCYS Modifications:**

For the 7-U and 8-U age groups, if the throw-in is not taken in line with the correct procedure, the referee will explain the proper method and allow the player to re-throw the ball into the field of play.

---

## **LAW 16: GOAL-KICK**

**FIFA LAW:** *"When the whole of the ball passes over the goal-line, excluding that portion between the goal-posts, either in the air or on the ground, having been last played by one of the attacking team, it shall be kicked direct into play...The ball is in play when it is kicked and clearly moves."*

*Simplified, the ball does not have to leave the penalty area to be in play. Opponents must be outside the penalty area until the ball is in play. However, if the kicking team takes a quick goal kick and opponents have not had time to leave the penalty area, the referee will allow play to continue. If the opponents who are inside the penalty area or enter the penalty area before the ball is in play, touch or challenge for the ball before it is in play, the goal kick is retaken.*

### **UCYS Modifications:**

None

---

## **LAW 17: CORNER-KICK**

**FIFA LAW:** *"When the whole of the ball passes over the goal-line, excluding that portion between the goal-posts, either in the air or on the ground, having been last played by one of the defending team, a member of the attacking team shall take a corner kick..."*

### **UCYS Modifications:**

None

---

*The excerpts from the FIFA Laws of the game contained herein have been condensed in order to conserve space; please review the FIFA Laws to insure complete understanding of the rules as employed by ITAA. Additionally, FIFA Laws are supplemented by FIFA International Board decisions and by ITAA special rules, including but not limited to the following:*

## **International Board Decisions**

**IBD #14:** *If, in the opinion of the referee, a player intentionally uses his feet to play the ball back to the goalkeeper who then uses his hands to play the ball, the player shall be penalized by the award to the opposing team of an indirect free-kick from the spot where the goalkeeper touched the ball with his hands, provided that spot is not nearer than 6 yards from the goal-line. (Note: This decision will also be enforced if, in the opinion of the referee, the player uses obvious trickery to avoid using the feet to play the ball back to his goalkeeper.)*

**IBD #15:** *If, in the opinion of the referee, a player who is moving toward his opponents' goal with an obvious opportunity to score a goal is intentionally impeded by unlawful means, i.e. an offense punishable by a free-kick (or penalty kick), thus denying the aforesaid goal-scoring opportunity, the offending player shall be sent off the field of play (red-carded) for serious foul play in accordance with LAW 12.*

**IBD #16:** *If, in the opinion of the referee, a player, other than the goalkeeper within his own penalty area, denies his opponents a goal or an obvious goal-scoring opportunity by intentionally handling the ball, he shall be sent off the field of play (red-carded) for serious foul play in accordance with LAW 12.*

**IBD #17:** *The IFAB is of the opinion that a goalkeeper ... will be considered in control of the ball when he takes possession of the ball by touching it with any part of his hands or arms. Possession of the ball would include the goalkeeper intentionally parrying the ball, but would not include the circumstance where, in the opinion of the referee, the ball rebounds accidentally from the goalkeeper, for example, after he has made a save.*

## **UCYS Modifications:**

For the 7-U and 8-U age groups, players will not be sent off the field of play (red-carded) except for extreme situations, particularly ones that endanger the safety and welfare of another player. Sending-off offences laid out in IBD laws 15 and 16 will not be enforced.

For 9-U and up, the sending off offenses laid out in IBD laws 15 and 16 will result in a yellow card, as opposed to red.
