# 8U MITE ADM RED WHITE, & BLUE HOCKEY

The Allegheny Hockey 8U Mite Red, White, & Blue Program is a full season program running from August through March. The goals of the program include the development of skills and game play within USA Hockey’s American Development Model (ADM) guidelines, and providing a fun and recreational hockey environment.

The ADM program focuses on providing an on ice experience which keeps the players skating, passing, shooting, and building skills via a multiple skill station setting and cross ice game competition.

Our 8U Mite team units practice at Center Ice Arena. They will compete in cross ice Jamborees against other associations within the Pittsburgh Amateur Hockey League (PAHL).
