

## Atavus Camp

Monitor the RugbyPA web page for an upcoming Atavus Camp. RugbyPA is coordinating with Atavus to host a Camps for both player and coaching development. Current discussions are targeting the weekend on September 8<sup>th</sup> / 9<sup>th</sup>.

## Season Format

Similar to previous years, the fall 7's season will consist of a circuit of tournaments hosted throughout the state. If you are interested in hosting, please contact the Craig Hoffman at [choffman@rugbypa.org](mailto:choffman@rugbypa.org) in order to reserve the date.

## Season Dates

The season schedule and fixtures will be defined by the teams that choose to host. Schedules will be filled on a first come, first serve basis. It is anticipated that tournaments will be hosted on Sunday. Exception will be considered on a case by case basis.

If you are interested in hosting, please contact the Craig Hoffman at [choffman@rugbypa.org](mailto:choffman@rugbypa.org) in order to reserve the date.

The season dates that we will be working to fill are as follows:

- Sunday September 16 through Sunday October 21 (Regular Tournament Season)
- Sunday October 21 – This date may be reserved for qualifier tournaments. If the qualifier is required, an announcement will be made prior to the season start on September 16. This will be based largely on the number of teams participating throughout the state.
- Sunday October 28 – State Championship Tournament

## Registration

As always, CIPP registration is through RugbyPA. The new registration year will begin September 1. Keep an eye out for additional registration instructions. In general, you will need to register you team first thing so players can then register to the team. Players must be registered prior to participation. Your CIPP coverage is not active until you have a compliant roster. A compliant roster consists, as a minimum, of a registered level 200 certified coach and 10 registered players (10 players for the 7's season and 15 players for the 15's season).
