

Coaching Application Merged Teams 2024

The Surrey-Newton Canadians has been a successful merged AA program between the Surrey and Newton Canadian Baseball Associations since 2017. It resulted in wins on the fields: many tournaments, top-tier rankings in regular seasons and playoffs, and a Provincial Championship in 2018. More importantly, many of our boys and girls then made it to AAA, College Prep, PBL and Provincial Select Teams. We are looking for qualified volunteer coaches who are great communicators, to keep building this great program. **Send your application by December 15, 2023, to president@surreycanadian.com or president@newtonbaseball.com**
