St Louis Park – give 50% discount on registration – no charge for equipment at all levels. Crow River/Delano \$300 – Wayzata no discount but provides equipment to squirt, u10 and 5 Stauber sessions for goalies.

Level 4 this Saturday in St. Cloud go to USA Hockey website – 60 registered so far looking for 100. Question regarding we don't have an ACE coordinator do we need one? Not sure if we can get one. You should have one to pay attention to what is going on in the arena and on the ice with the coaches. How to deal with Fan and Parent behavior. Can they make it mandatory for parents to go through some sort of "training" before season starts? Maple Grove does it for soccer.

Mite – NR

D3 Director – Scott Dornfeld

We are hosting 14B & 12B State Tournaments, Sent 11 girls for the HP 15 and 14 boys. All presidents need to sign affiliate agreements. Talking about going to 35 event days for squirts – talk about counting controlled scrimmages as an event. I will vote for whatever way D3 wants to do. I do think there should still be a cap on games. Gearing up for St. Cloud.

Old Business – Locker Room Policy

1st Time – Head Coach Suspended

2nd Time – Head Coach 3 Game Suspension – Talk with Association President

3rd Time - Team will not be able to play in D3 Tournament.

New Business – Mike Anderson

Would like a 3 man system for the U14A league – Level of play warrants it – could use as a training tool. Would be good to have for the Women officials –good for retention. Rates the same as Bantam B1 – Total game cost \$140.00 \$42 Increase – Regions, State, D3 tournaments all use 3 man system – take back to your associations and we will bring back at June meeting.

Will probably invoice the association with a line item to show which team owes will invoice monthly.

Meeting Location changing to Plymouth Ice Arena – Center Meeting Room starting in June

Bantam C change game time to 90 Minutes - bring back to your associations we will bring back at June Meeting.
