

Dear Prospective Sponsor,

Glendora Jr. All American Football and Cheer program is a non-profit whose goal is to provide all children quality instruction; teaching them the meaning of good sportsmanship, teamwork, and cooperation. Our focus is on helping our youth build Character, Sportsmanship, Self-Confidence and Learn Responsibility & Teamwork in a competitive environment while gaining a strong sense of community. Our program relies solely on registration fees from parents of the players. And each year we look for partners in the community such as local businesses and generous individuals to help offset some of the costs it takes to run a program with over 120 participants.

Glendora Jr. All American Football and Cheer is a volunteer organization and its success is because of the dedication and commitment of our volunteers, families and supporting sponsors.

We are looking once again to team up with Local businesses who share the same community philosophy. By partnering with us you significantly impact our financial needs while investing in our youth. In addition to building Good Will you will have the ability to be front and center With over 100 families in the local area.

Here are a few donation options: (all donations are tax deductible)
