## **Pre-Game Facility Guidelines**

### **BATTING PRACTICE**

- There will be no on-field batting practice before any competition.
- The site has batting cages available for use. Only the teams preparing for the next game at will be allowed to use the cages starting as follows:
  - Home team: 90 minutes before game time for 30 minutes
  - Visitor: 60 minutes before game time for 30 minutes
- Cleats or turf shoes are okay in the cages.
- Whiffle balls or soft balls may be hit prior to the game on an auxiliary field or open grass area.
- Please do not hit any type of ball into fencing at any of the sites.

**Teams must provide their own baseballs for batting practice.**

### **INFIELD/OUTFIELD PRACTICE**

- NO infield/outfield will be allowed prior to games -this helps keep the field in shape (grass really struggles in the arid environment of the Tri-cities) and gives the field prep crew sufficient time to get your playing surface in good condition.
- Ground balls and fly balls may be taken in the outfield prior to games. Please stay off of the infield and foul lines!
