

2021 SAYB 13-14-15 year old 1st round tryout results

Below you will find the 1st round tryout results, highlighting players being asked to attend an additional evaluation.

As some of you may be aware, we host a 2nd round tryout for Big League players. This year, we will be hosting our 2nd round tryouts outdoors at Northwestern University. Minnesota weather is seldom cooperative this time of year. This is our best option to ensure we have an ability to complete team formation. Should the weather not cooperate, you will be notified closer to the event date.

➤ **AAA/AA Pool Information at the 13, 14 and 15 yr old level.**

- At the 13 yr old level, players listed in the “AAA/AA” pool represent the top 19 Hamline scored players at that age group.
- At the 14 and 15 yr old levels, all players that attended the first sessions are invited back for the 2nd evaluation. If not interested in playing on the AAA team, listed players do not need to attend the Northwestern University session.
- Following the second tryout, the “AAA” coach and a minimum of two SAYB evaluators (who do not have child at this age group and have experience coaching at this level) will validate Hamline ratings and determine the 11 or 12 players from the candidates to participate during the 2021 season on the “AAA” team.
- All players in the AAA/AA pool must attend the 2nd tryout session unless approved for an exception by vote of the Executive Committee for special circumstances. Those not attending without approval will be assigned to the North Star League.
- Players who attend the tryout session and are not selected to play on the “AAA” team will automatically be assigned to the “AA” team.
