

RETURN TO PLAY SAFETY PROTOCOLS

- Everyone entering the building will go through the main entrance at the front of the building, answer & sign the COVID Screening Form, and then proceed to their designated spots in the bleachers. Visiting team will be at the far end and home team will be at the closest end. Players should come fully dressed and put on their skates, gloves, and helmet inside the rink (hockey bags are not allowed). Goalies can get dressed inside the rink. When the game is complete, players, coaches, and spectators should exit the side doors from the end their team was using.
- The lobby area is CLOSED and will only be used for health screening. Restrooms will be open, but may only be used by one person at a time.
- Players may enter the rink 10 minutes before their scheduled ice time. Goalies may enter 15 minutes before scheduled ice time. Spectators may enter the rink 5 minutes before and after health screening is complete, must proceed directly to the bleachers.
- Masks are to be worn at all times by players, coaches, referees, and spectators. Players and coaches are to wear masks at all times while not on the ice and also while on the ice and benches.
- Players will be allowed 2 spectators.
