

## Accessibility – Statement of Commitment

Wallaceburg Soccer Association is dedicated to fostering an accessible and inclusive environment where all individuals have equal access to our services and programs. We are committed to upholding the dignity and independence of individuals with disabilities by ensuring our programs and services accommodate their needs with respect and consideration.

Our club is devoted to breaking down barriers by promoting inclusivity, fostering positive attitudes, and eliminating biases that may limit the potential of persons with disabilities.

Wallaceburg Soccer Association fully supports the objectives of the Accessibility for Ontarians with Disabilities Act (AODA) and is committed to developing policies, practices, and procedures aligned with its accessibility standards. These include accessible customer service, clear and inclusive communication, and ensuring that information about our programs and partners is accessible to all members.

Our commitment is guided by the following core principles of the AODA:

- **Dignity** – Providing services in a way that respects the worth of individuals with disabilities and ensures they are treated with fairness and consideration.
- **Independence** – Recognizing the right of individuals with disabilities to make their own choices and access services in a way that best suits their needs.
- **Integration** – Ensuring that services are designed to allow individuals with disabilities to fully participate alongside others, with alternative formats and accommodations available as needed.
- **Equal Opportunity** – Providing access to goods and services in a way that ensures individuals with disabilities have the same opportunities as everyone else.

Wallaceburg Soccer Association remains committed to continuously improving accessibility within our organization, ensuring an inclusive and welcoming experience for all.
