## **THA COVID-19 Operating Policy and Procedures Update #13:**

### **Important Information in regards to a COVID-19 Positive Test and Exposures.**

#### **U14:**

The U14 Team was exposed to two individuals that tested positive for COVID-19 on Sunday December 13. The U14 Team is presently under a ten-day quarantine in accordance with CAHA COVID-19 Policies as the symptoms appeared within the 48-hour time period of exposure. The U14 Team has ceased all team activities and can return to full team activities on December 23.

#### **U16:**

We have been notified of a positive COVID-19 Test and exposure with our U16 Team. Both team members are in quarantine and can return to team activities on December 26. Neither member of the U16 Team has had contact with other U16 Team members in over ten days.

The U16 Team can continue team activities to include games, practices, skills and off-ice as scheduled and does not need to quarantine in accordance with CAHA and THA COVID-19 Operating Policy and Procedures.

These positive tests and potential exposures along with recent increase in COVID-19 cases regionally and nationally we want to remind everyone to remain diligent in our efforts to prevent the exposure and transmission of this virus.

Appreciate your support and understanding as we continue to navigate these unusual times.

Bucky Dame  
THA Executive Director
