

Christmas Camp Testimonials

Hi Coach Mike,

Just wanted to say a great big thank you to you and your coaches for the Christmas Camp. Our son, Carter, learned so much from all of you.

Carter had a bad coaching experience during the spring and was scared that this camp would be more of the same. He was afraid he would not be good enough and that he would fail. Because of all of you, he now knows the faces of true coaching excellence. He told me that although you all worked him harder than ever, you all taught him so much, while still being so positive and motivational. We truly appreciate all the kindness. The difference you all make in the lives of children is immeasurable. Thank you for renewing Carter's love of baseball.

Sincerely,

Arlie and James H

Mike,

Owen and I had a great time at your camp. I look forward to following up with you and the coaches down the road.

Hopefully we can attend next year with some of our local athletes, and just maybe, we can make it to San Bernardino this summer.

Thanks again,

Mike M

Hey Mike,

Just a short shout out to you and your team. My 11-year-old son, Roman, attended your 3 day camp and we absolutely loved it! He was battling some minor health issues, but he toughed it out. He is anxious to start his second season in the spring at MRL. I was personally impressed with your entire team's professionalism, positiveness, and patient/caring attitude. I also learned many skills that I can use to increase my son's performance and agility.

Thanks again and we will see you next year!

Just wanted to say Thank You Mike and to your coaching staff team. I know my son isn't close to being as good as most the boys at the baseball camp this year. My son had a blast and learned a lot. He can't wait for the 5-week hitting program in January. He told me he likes playing baseball with you more than any team he has been with so far. He really enjoyed being at the SIL this past summer also. Thank you again.

Coach Mike,

Thanks for another great Christmas Camp.

Thanks again for everything,

Brian Taylor

Mike,

Luke thoroughly enjoyed the camp and I appreciated it through the lens of a parent and coach. I look forward to seeing you again in 2019. If I can't get the team there for the tournament, it will certainly be for the camp and I'll work to get more kids there from our team!

Mike,

Thank you very much for all you do with this camp. My son Mason really enjoyed it and learned a lot. I appreciate everything you and your staff do with this camp and the attention you all give to each kid. I am hoping to keep Mason more involved with baseball as he gets older and this camp was a really good start. I have had him alternating between baseball, basketball and flag football the past years, but I can see he enjoys baseball the most and I hope he continues to focus on baseball as he matures and starts to focus more on the field. He has played a few seasons of little league but has not really gotten into the game yet, but I think this camp is going to be a good kick start. Mason had a lot of good things to say about you and the other coaches each evening after I would pick him up. I didn't want to bother you too much because your hands were full throughout the three days, but I always appreciated the help and attention you gave me as a kid going to your original batting cages back in the early 90s. It's really good to see you haven't changed and the LVBA is still going strong. Thanks again and I'm sure I will be talking to you again here in the near future.

Hi Mike,

My family and I wish you a happy new year!

My name is Keith and my son Reilly attended your LVBA Christmas Camp last week. My wife and I had heard great things about the

The camp really exceeded our expectations. Reilly tends to be on the reserved/shy side with people he doesn't know well, so the fact that he loved every minute of camp may not have been evident in direct conversations with him. But we wanted to share that at the end of each day, he couldn't stop telling my wife and I about all of his experiences at camp. He would talk about the new things he learned, the things he especially enjoyed, and the new kids and coaches he met in his group. He's been playing Little League at Summerlin South for the past 4 years, so it was really encouraging to see him adapt quickly to the club level talent of the other players and the detailed instruction of the great coaches surrounding him.

We wanted to take the time to thank you and your staff for helping Reilly do what he loves and grow his skills. We look forward to seeing you at other LVBA events in the future.

Thanks,

Keith R
