players name & level for 2020-2021 season

Players need: Gloves, Stick, pucks/ball

Parents need: Capability to email counts to Jessica each month

More DETAILS and a few SUPRISES to come...

We don't want to say this is a required event, but this is an opportunity for your player to add some off-ice hockey to their Summer and achieve a remarkable feat, 10,000 shots! This will help grow the St Cloud Youth Hockey player bond and help their overall development. Please respect the time Coaches and Volunteers have put into organizing this event.
