

## Fall 2020 HEParks COVID Diagnosis & Exposure Guidelines

### When a participant/staff can return to the facility if **confirmed with COVID-19.**

Participant/Staff who is diagnosed to COVID-19 may not return until:

- They have had no fever for 24 hours (without medicine)

**AND**

- Other symptoms have improved

**AND**

- At least 10 days have passed since their symptoms first appeared

### When a participant/staff can return to the facility **if exposed to someone who has been diagnosed with COVID-19.**

The participant/staff may return to the facility when:

- at least 14 days have passed since date of exposure.

If exposed participant/staff exposures results in a positive COVID-19 diagnosis, participant/staff must follow the guidelines above to return after diagnosis.
