

Letter of Intent – Girls U10 Director

Hastings Hockey Association

Tim Clark

1/29/26

Dear Members of the Hastings Hockey Association,

I am writing to express my interest in serving as **Girls U10 Director** for the Hastings Hockey Association. I am passionate about supporting girls' hockey at the foundational level and helping create a positive, welcoming environment where young players can build confidence, skills, and a love for the game.

The U10 years are critical for development—not just on the ice, but in teamwork, sportsmanship, and enjoyment. I am committed to fostering an inclusive and encouraging program that supports players, families, and coaches while aligning with the values and mission of Hastings Hockey. I believe strong communication and organization at this level help set the tone for long-term player retention and growth within the girls' program.

I have been involved in Hastings Sports over the past 15 years, both coaching and helping in other board Capacities. Having a player now gone through the entire Hockey Association levels and now playing at the high school level has helped me see areas I hope to help improve and areas I would want to continue to support.

Thank you for your consideration. I would appreciate the opportunity to further discuss how I can support Hastings Hockey in this role. Please email me at Simley5644@gmail.com with any Questions.

Sincerely,

Tim Clark
