National Camp Selections:

Players selected to advance from the RMD PEC Girls Camp to one of USA Hockey’s National Camps will be notified of their selection by **Thursday May 14, 2025**. Names of such players selected to advance will be posted on the USA Hockey website. It is USA Hockey’s Girls National Camps policy that NO players shall be notified prior to this date.

Miscellaneous:

- **Please do not bring any nuts to the camp.** We may have some players who have allergic reactions and we do not want to place anyone in harm’s way. We ask for your cooperation.
- All Players are required to abide by the Player Code of Conduct, including a **No Tolerance Policy** for bullying or harassment. Players should notify their coaches immediately of an uncomfortable situation.
- No Tolerance means No Tolerance – any player found to be in violation of the Player Code of Conduct will be ineligible to participate further in this Camp plus future Camps. Parents will be notified of the situation and asked to arrange for their player’s transportation home as soon as possible.
- We have an excellent coaching staff in place for the Camp. Each team will have at least two coaches including NCAA Division I/III, ACHA and Tier I team coaches and staff from USA Hockey. All of the Coaches and staff are here to help, so don’t be afraid to ask questions. Unfortunately, due to time constraints, no individual player evaluations will be conducted by the coaches at the end of the Camp. But again, please don’t be afraid to ask your coaches questions during the Camp. Most of the Coaches have “lived the dream” you are pursuing. They love the game and really enjoy being around and mentoring those who play the game.
- Parking may become an issue on certain days of the Camp, so please allow adequate time to find parking.
- Players must allow sufficient time to travel to/from the rink so they are timely for all events during the Camp while keeping continuity with their warm-up and routines as well as being a cordial and present teammate.
- Lastly, we hope everyone has a great experience and fun. Relax and enjoy the Camp, work hard on the ice, make new friends, be a good teammate, and talk with your Coaches. If you leave Camp without having made additional friends, then you simply will not have taken full advantage of the entire Camp experience.
- We look forward to seeing you at the Camp. Good luck & safe travels to all!
