Dear Members,

I am writing to express my interest in serving as the President of MAHA. I have been proud to serve on the MAHA Board for the past three years, including the last two years as Head of Coaching.

MAHA has been part of my life for many years. I grew up playing in this program, and now my children, Mackenzie and Max, proudly play for MAHA as well. This organization means a great deal to me, both personally and as a parent.

During my time as Head of Coaching, I have worked to support our coaches, strengthen player development, and improve communication within the organization. Serving on the board has given me a clear understanding of how we operate and where we can continue to grow.

If elected President, my focus will be on teamwork, transparency, and continuing to build a strong, positive program for all of our players and their families. I am committed to leading with integrity and keeping the best interests of our members at the center of every decision.

Thank you for your time and consideration.

Sincerely,

Michael Fontaine
