

Registration Refund Policy

Central Vermont Youth Hockey (The Black Bears) is a 501(c)(3) nonprofit organization that offers programs from the beginning of October through the end of February. Registering your child to play for The Black Bears indicates an agreement to pay the Organization according to the terms of tuition. The registration fees cover our ice time, equipment purchases, jersey purchases, payment to referees, state tournament fees (also some private tournament fees depending on level of play), and other general overhead expenses (i.e. insurance expense, tax preparation, etc.).

Any member may voluntarily terminate their registration by written notice therefore addressed to the Treasurer (treasurer@blackbearhockey.org) of the Organization and may be entitled to a prorated refund of fees paid for the year (as noted below).

The Black Bears has implemented the following refund policy for registration fees:

- Initial Fee at time of registration is nonrefundable.
- If on Payment Plan - all fees paid to date are nonrefundable.
- If Paid in Full:
 - Withdraw by August 1 - 50% refund will be issued.
 - Withdraw after August 1 - No refunds will be issued

In exceptional circumstances the Board of Directors may, at its sole and absolute discretion, approve a partial refund that does not correspond to the payment terms above. The Board of Directors are under no obligation to approve a refund that does not correspond to the payment terms above. The request for an exceptional circumstance must be approved by the full Board of Directors.

If a refund is to be issued it will be paid out within 30 days of the refund request, via a refund back to your initial form of payment.
