

TOURNAMENT RULES

Game Rules: Unless otherwise noted, USA Hockey Rules are enforced at all times.

Game Timing Rules: All games will consist of three 12 minute stop time periods. The only exception will be summeriest tournament will run two 20 minute stop time halves. If there is a 6 or more goal differential in the 3rd period, running time will ensue. If the goal differential is reduced below 6, stop time will resume. In addition, tournament organizers reserve the right to change to running time should time problems arise due to unforeseen circumstances. Except for during championship games, there are no time-outs. Teams get one 1- minute timeout in a championship game that may be used at any stoppage. **The referees and tournament staff have the authority to change any game to stop or running time based on circumstances of the point system & game.**

In case of the game previous to the game scheduled being finished early, the teams may be required to start their game up to 20 minutes prior to their scheduled start, at risk of a forfeit. Teams are responsible for knowing what time their games are and for being ready on time. At times, we start up to 20 minutes early, so please be ready before your game is supposed to start.

Tournament Point system:

- Every game will be worth 2 points as a whole.
- 2 points for a win, 1 point for a tie, 0 points for a loss.
- In the event there is an odd number of teams in a division, the team that plays the extra game will receive 75% of their total points earned.
- **In all semi-final and champ games, the point system no longer matters. Games become about the game score only.**

Penalties and Discipline:

- All penalties will align with 2021-2022 USA Hockey Standard Rules of Play.
- Periods 12 minutes or less, 1:00 Minor, 3:00 Major, 3:00 Match, 6:00 Misconduct
- Periods more than 12 minutes but less than 17, 1:30 Minor, 4:00 Major, 4:00 Match, 8:00 Misconduct

- Periods 17-20 minutes, 2:00 Minor 5:00 Major, 5:00 Match, 10:00 Misconduct
- Any player who receives a fighting penalty shall be ejected from the remainder of tournament games.
- Any acts of discipline may be enforced by the tournament staff at anytime, regardless of whether a penalty was called during play, or what kind of penalty was called.
- If a team has to forfeit a game for any reason, the final score will be logged as 6-0 unless there is a bigger margin during the game at time of forfeit.
- **There is zero tolerance for swearing by players, coaches or parents, and the staff reserves the right to ban anyone from the rink for the duration of the tournament for using foul language.**

Only players who were on the USA Hockey Roster provided before the tournament starts AND appear on the scoresheet are eligible to play in the game.

Ties in division standings will be broken by:

1. Head-to-head
2. Least Total Goals Against
3. Least Total Penalty Minutes (Game misconducts on coaches count)
4. Coin Toss

Championship Game Overtime:

Tied games after regulation in the championship will result in a 5 minute, 3 on 3, stopped time, sudden death period. A penalty during overtime will result in a 4 on 3 power play. If neither team is victorious, a three round shootout will decide the winner. The home team (higher seed) will have the option of shooting first or second. The order will stay the same in all rounds. If the teams are tied after three rounds, it will go to a sudden death one round with the same order until a winner has been decided. Each player may only be used once until all players on the bench have been used.
