

Dear Families, Business Managers and Charitable Contributors,

Westbury Little League has been a mainstay for both the community and our youth since 1962. We teach the merits and benefits of teamwork, competition, and sportsmanship to roughly 1,000 kids each year.

Over the past two years, our program has seen a surge of registrations, with a 30% increase in enrollment last year alone. With this growth rate, Westbury LL is undergoing some major updates. We are remodeling our batting cages, refurbishing some fields and most importantly - building two new fields to support our kids!

We anticipate 2 fields to be under construction during 2019 - a Minors/Majors field and a Tadpole/Junior Machine Pitch field. Outside of the yearly registration fee, Westbury Little League relies solely on donations from community members and fundraising to maintain and improve our facilities and equipment. If you are interested in Sponsoring a field, please contact us and we can help make that happen.

Your company could be in the same conversation as Minute Maid is with the Astros! Your generous support is invaluable.

Sincerely,

Larry McCarty
