 - a) Soccer (Melissa Winchell-absent and Mike Letzring) – Everything is going well. Have an expense of \$700 to \$1,000 coming up. Inquired about medals. Talked about children whom are reckless, hurt others, bite other children, and have behavioral issues. Came up with a solution. Rules for players that impose a safety issue. There is a five-year-old acting up. Would like to have a policy added. Discipline should depend on the age.
 - b) Football (no commissioner) – There was only one game held at home this year. \$789 in the 50/50 and snack bar. Did good for the day. Going a lot better now, the beginning was a little rocky beginning with the merger. Just received uniforms and missed the first few games but were able to wear practice jerseys. Had the pictures for a fundraiser. Check should be coming to us soon. We do not need to split this with Hoosick Valley. Will do banquet together with Hoosick. Hoosick will pay for their portion. Looking into senior gifts. We will owe for uniforms. Not sure what other bills are coming to us but do not think there is much more coming our way. Trying to figure out how to get our Clynk out.

Will be using a round robin type of situation. Will be putting a building request form in soon for basketball. Will be doing open gym once a week.
