COACHES, PLEASE MAKE SURE ALL YOUR SPECTATORS AND PLAYERS ARE AWARE OF THESE RULES

ANY DISRESPECTFUL BEHAVIOR BY PLAYERS, COACHES OR SPECTATORS DIRECTED TOWARDS SITE DIRECTORS OR OFFICIALS WILL RESULT IN EXPULSION OF THE OFFENDING PARTY FROM THE FACILITY.

FOOD IN FACILITIES POLICY:

Whether signs are posted or not, the region has a policy that all members and their supporters shall have no food, food containers, or flavored drinks in the gyms. Individual Tournament Directors and/or Site Managers have the right to amend this if their gym allows food, etc. Such a revised policy must be announced at the pre-tournament coaches meeting or will appear in this document.

1. The policy has been expanded to deny any crock-pots, other electric cooking devices of any kind, as well as outside barbeque appliances at any sanctioned venue. Any prohibited action regarding food and its preparation may result in the removal of the associated team from the event.
2. Any outdoor portable structure such as a gazebo, canopy or tent erected for the specific team's use must be located outside of any fire lane or restricted parking space. Individual tournament hosts do have the right to ban food tables and/or other team set-ups at their own discretion.

School District Policies:

Highline Public Schools welcomes use of their building for community use. To protect this public investment, keep costs down, enable staff to do their work, and continue to have the building available, please remember:

- Parents need to verify that coaches are present when dropping off kids - before leaving. The coach needs to be the first to arrive and the last to leave in order to supervise properly. School staff are not responsible for supervising kids from your program.
- All participants and their families of your group need to stay in the gym – not be in other parts of the building.
- No food, drink (except water) or gum in the gym.
- Leave all school equipment alone (white boards, mats, cones, posters on walls).
- Check with the custodian before moving equipment.
- Leave at the designated time so the custodians can lock up and resume their work.
- No dunking or hanging on the basketball hoops.
- Report any damages to the custodian BEFORE using the building that day.
- Please pick up your trash and place in the proper trash/recycle receptacles.

We want this use to work for everyone so please use our building respectfully.
