HOW TO ORDER YOUR PHOTOS

Log-in into your gallery. Pick one, two, or all of the images you want! You can order them a la carte or in one of our packages.

ABOUT YOUR PHOTO DAY

Come to your scheduled sports photos ready in uniform, don't forget your smile! We will be taking 3 images in multiple poses: one for the individual photo, one for the team photo, and one for the poster/banner photo.

Sports Star uses a View First system, which means once photos are edited and uploaded you will receive an email (emails will be provided to us from the league) with your link to view your photos before you buy them.

If you choose to order a package, you have the ability to pick and choose the photos you'd like to use. For instance, the Memory Mate product used has both an individual image of your child and the team photo.

HOW YOUR PHOTOS GET DELIVERED

Once your photo orders are placed, they will be delivered directly to your home within 3-5 days. If you experience any issues with your orders, please contact us.
