

ENROLLMENT FORM

Spring 2026 Season

4th/5th, 6th, 7th and 8th Grade Girls Teams

Registration Deadline: February 11, 2026

NOTE: Please read the following bullets before completing the Enrollment Form:

- If you have not read the posting on the website entitled "Enrollment Information and Timeline for the Spring 2026 WIVL Season," please go back and read it before completing this form. It contains valuable background information you'll need to complete this form.
- While this form is designed so that each Community/Association can complete one form that covers all of its teams' play dates and host dates for all age levels (grades 4/5, 6, 7 and 8), enrolling communities can submit separate forms for each grade, or combination of grades. If you are registering a team separate from others in your Community/Association, please note that fact in the "Comments" section.
- There are separate divisions for 6th, 7th and 8th grade teams. Teams in 5th grade, 4th grade and combined 5th/4th grade teams, will again play in a combined 4th/5th grade division. As described in detail in the post accompanying this Enrollment Form and Section B-4 of the Rules, teams will have the option of playing three, four, five or more matches per day.
- Meets will be scheduled on ten consecutive Saturdays: March 7, March 14, March 21, March 28, April 4, April 11, April 18, April 25, May 2 and May 9 (regular meets for 6th and 5th/4th grade teams and League Championship Tournaments for 7th and 8th grade teams). Teams can play as few or as many of those dates as they want.
- Conflicts for Coaches Dealing with More than One Team. In the comments section on page six, please describe any special scheduling needs your team(s) have, such as coaches who coach multiple teams, teams that must travel to the same location, etc. Do not exaggerate those needs or it may unnecessarily curtail the play date options for one or more teams. Please be aware that the League reserves the right to limit the number of matches for teams needing to be scheduled in the same location in opposite time slots. In many cases, it is not possible to allow two teams of the same grade to play in opposite time slots – in other words, coaching two teams of the same grade and wanting no overlapping matches may not be possible and the total number of matches for each team will be reduced when needed. Please also indicate whether you would want to have only one team play in a meet or would prefer to play fewer matches for each team if it is necessary.
- Rule Changes. Are there any rule changes you would like considered? Please see the 2026 WIVL rules on our website (gnbl.org), by clicking on "Volleyball League" tab, then "Rules and Forms" tab. We will only entertain changes to the Spring 2027 Rules if we receive consistent feedback from a significant number of teams on the same issue. Please list any rule change suggestions in the comments on Page 5.

INSTRUCTIONS / EXPLANATIONS

Section 1: Community / Association Contact Information

Please list the name, address, various phone numbers, etc. for the person we should correspond with as the principal contact for your Community/Association.

Section 2: Play Date Availability

Since the season is only ten weeks long and since most teams will probably play in three meets or more, we encourage you to make your teams available on **as many** of the ten play dates as possible. Before answering this question, get the input of your coaches for specific teams so that you aren't scheduling their team on a date that coach will be unavailable. If you do not know who your coaches will be for some or all of the teams, you won't know for sure if they have any conflicts on possible League play dates.

Listed horizontally below are the ten dates on which meets will be played. Please write "YES" in the box for each date that each team is available to play. Write "NO" on those dates when that team absolutely cannot play. **If you do not write anything in one or more boxes, we will presume that you cannot play on that date.**

For each team, list the number of meets in which they want to play (the first blank after the team name) and the number of matches they would like to play at each meet (the second blank in each line). If you have a specific request, please detail that in the comments section below. However, don't exaggerate a team's unavailability. For example, when playing the minimum three matches at each meet, if a team always insists on playing in the morning, but could play in the afternoon, saying they are absolutely unavailable in the afternoon means they will have fewer play dates and longer travel, because not every team can be blocked into the same specific time slot every week.

Section 3: 8th Grade and 7th Grade League Championship Tournament

League Championship Tournaments for 8th and 7th grades will be held on Saturday, May 9. For details on how the LCT will be formatted and the LCT fee, please see Section B-7 of the rules posted on the League website (gnbl.org), click on the "Volleyball League" tab, then on "2026 Rules."

Section 4: Team Experience Level

When organizing meets in the 2026 season, the League will schedule some meets placing teams of similar ability levels at the same location. This will **not** be the case in all meets because it would mean less experienced, but talented, teams may have fewer opportunities to play more experienced teams. It would also lead to many teams playing each other several times in the season.

Section 5: Host Dates/Information

If your community has two playing surfaces available on a given Saturday, you will be able to host for one grade. If you have three, four or more available playing surfaces, you can host for two or possibly more grades. Note that with the "flexible" scheduling procedure outlined in Section B-3 of the rules, a community can have two or more teams at the same grade level play at home in the same meet and not be scheduled to play each other.

While most seasons we have been able to balance supply and demand so that we have had enough meets to accommodate the preferences of all teams on number of play dates, that hasn't always been easy. See Rule B-5 for an explanation of how playing space will be rationed if we have too few host dates and, conversely, how hosting opportunities will be limited if there is an excess of events relative to demand.

If you prefer to host a meet for a particular grade (4/5, 6, 7 or 8) on a particular date, please indicate this below. While we will attempt to honor preferences as to which grades you host on which dates, the League needs the flexibility to select among those dates in which your community has gyms available to best accommodate the League's overall meet schedule. *Be liberal in designating dates you can host – we need more than one option from each community to have maximum flexibility. For instance, we can't have meets in Merrill and Antigo, or Hayward and Webster on the same date.*

Before you submit this form, please reserve your top preferred dates with your school administration so that these dates are locked in. In that way, if we need to try to switch a date later, you have something to trade. If you don't reserve any of these days, you may have nothing firmly available when we finalize the schedule.

Please fill in all blanks horizontally for each grade that you indicate you want to host. If you have three or more courts available to host on a given date, please describe in the Comments section below which combination of grades you wish to host on each of your preferred date(s).

Please list below the name of the host sites you will be using and the names of the individual courts, (i.e., High School, Court 1 and Court 2; or Middle School, North Court and South Court).

We need to post detailed directions to your gym location(s) on the League's website, so that visiting teams can find their way. If you hosted during the Spring 2024 season of the WIVL, current directions to your gyms should already be on our website. If you didn't host with us last spring, but your community's basketball teams already host meets in The Great Northwest Basketball League, we probably already have adequate directions. If your community didn't host with us last spring, and doesn't host in The Great Northwest Basketball League, or you're using a different venue for volleyball than for basketball, you'll need to provide these directions. You can check our existing inventory of directions for your community by going to gnbl.org, clicking on the "Volleyball League" tab and then click on "Directions to Venues."

Section 6: Coaching Information

We need a list of all your coaches, with their mailing address, various phone numbers, e-mail address, etc. Provide as much information as possible. For those teams where you plan to name a coach at a later date, write "To Be Determined," and get that information to us as soon as possible. It is critical that we have a complete listing of all coaches before the season starts for purposes of communicating schedule changes, confirmation calls/e-mails, etc.

Please use the "Coach/Contact" attachment at the end of this Enrollment Form (pages 8-15) to provide that information. If you have more than one team at a particular grade level or want to list more than two coaches per team, please use the last section of the attachment or an additional piece of paper.

Return pages 5 through 8 of this form **ABSOLUTELY** no later than
February 11, 2026, to:

The Great Northwest - PO Box 506 - Hudson WI 54016

or

Email to: tracie@gnbl.org or Fax to: 715-749-4198
