# WELCOME TO ANOKA HIGH SCHOOL HOCKEY!

Tornado Hockey Fans,

Welcome back to another exciting Anoka hockey season! As we pass the mid-way point of trimester 1, the hallways are beginning to stir with the excitement for our Tornadoes Hockey season. The boys have been working hard in the off-season to prepare for a run at a Section Title and a chance to play for a State Title. Coach Manthey and his staff are gearing up and preparing the practice plans for the upcoming season! The bleacher captains are planning to draw large student crowds to each game and show our school spirit in supporting our Tornado team. The off season training was good and the boys are ready to get on the ice and begin their quest for a title.

We appreciate your support tonight of our Tornado Hockey team and all of your positive comments. I ask that everyone in attendance cheer in a positive fashion for our team, coaches, and refrain from negative comments toward referees, opposing team and coaches, as well as our team and coaches. Please show your Anoka High School spirit and keep your comments supportive in nature. As an Anoka Family, we want to support each other at all times whether in a win or a loss. Your support of our program is extremely important. Thank you for all you do to rally behind our team, coaches, community and Anoka High School. Good luck to our Tornado Hockey team and coaches this season!

The traditions at Anoka High School continue to amaze me. I have met so many wonderful alumni who appreciate and acknowledge the many opportunities provided to them from AHS. They usually comment on how they learned life lessons

through their sport. Hockey has a great tradition; starting in 1946 at AHS where hard-nosed hockey was the theme from the past players. Hockey has evolved with our players becoming more and more skilled and I am excited to watch the Tornadoes develop under the leadership of Coach Manthey and his staff. Best of luck to the young men as they embark on this year's hockey journey. Go Tornadoes!

### ANOKA TORNADO HOCKEY CHAMPION'S CREED

If you think you are beaten, you are.  
 If you think you dare not, you do not.  
 If you'd like to win, but think you can't,  
 It is almost a cinch you won't.

If you think you will lose, you are lost.  
 For out in the world we find,  
 Success begins with a player's will;  
 It is all in a state-of-mind.

If you think you're outclassed, you are.  
 You have got to think high to rise.  
 You have got to be sure of yourself  
 Before you can win a prize.

Life's battles don't always go  
 To the stronger or faster man.  
 But sooner or later the player who wins  
 Is the one who thinks he can!

# ANOKA HOCKEY HISTORY

According to Craig Torbenson, the author of "Tornado Magic," the first mention of hockey in Anoka was the 1935-1936 season. During the 1930's and 1940's, Anoka High School was enrolled in hockey for some of those years but not in others. Anoka High School Hockey program's first season in the Minnesota State High School League was 1953-1954 and was coached by Charles Bauer. Anoka High School had purchased used uniforms from the St. Paul amateur hockey team. At that time there was no youth programs in Anoka, just the high school team.

Thank you to Coach Alley, who made Anoka Hockey...he truly is the father of Anoka Hockey! In 1954, the Anoka Hennepin ISD 11 superintendent, Morris Bye, hired Jim Alley as a teacher and a hockey coach. When Coach Alley was hired, Anoka had one dimly light outdoor rink, at what is now Sorenson Rink, with poor ice and splintered boards. The prospect were even more challenging when Coach Alley called his first player meeting and realized that few players had decent skates and none had played organized hockey. Needless to say, the team lost heavily, but learned along the way.

Coach Alley pleaded with the school district and the city to construct several outdoor rinks with lights. Outdoor rinks were constructed at Sorenson, Lincoln, Franklin, Champlin and Wilson. He then went to work on developing a youth program that would feed the high school program. He was also responsible for purchasing all equipment for the youth and the high school programs along with raising money to purchase the equipment and some indoor ice at either Aldrich Arena or Wakota Arena. Coach Alley successfully built the Anoka Hockey Program because of his passion and vision for the game.

Coach Alley coached at Anoka High School from 1954 through the 1963 season. In 1964, Joe Poole took over the program and guided the Tornadoes for 12 seasons. Coach Poole recorded 133 wins and 94 losses. After Coach Poole stepped down in 1977, Terry Abram took over for two seasons. Coach Abram recorded 24 wins and 17 losses during his tenure as the Tornadoes coach. Mark Kristo was hired and stayed on for one season, 1979-1980, and was 14 and 7. Jack Peterson was hired to coach the Tornadoes after several successful state championships in the Anoka youth program. Coach Peterson guided the Tornadoes to their first state tournament bid in 1985. The 1985 Tornadoes captured third place in the state tournament. Coach Peterson coached for eight seasons and had a record of 124 wins, 63 losses and 2 ties. Greg Rajanen stepped in after Coach Peterson and guided the Tornadoes to a fifth place finish in the 1990 state tournament. Coach Rajanen was the Tornadoes coach from 1989 until 1993 and posted 71 wins, 51 losses and 2 ties. In 1994, John Birrenkott took over the

program and recorded 88 wins against 39 losses and 5 ties. Coach Birrenkott guided the Tornadoes to back-to-back state tournament appearance in 1997 and 1998. In 1997 the Tornadoes won the consolation championship and in 1998, the Tornadoes lost in the state championship game against Duluth East 3 - 1. In 1999, Todd Manthey took over the Anoka Tornadoes Hockey program. Coach Manthey has guided the Tornadoes for 17 seasons, and continues to do so. In 2003, Coach Manthey's team was crowned the state champion in boys' hockey. It was the first boys' state hockey championship in school history. Coach Manthey's record, as of now stands at 195 wins, 184 losses and 17 ties.

The Anoka High School hockey program has fielded a boys' hockey team for the past 62 seasons. In that time Anoka has had seven players drafted by the National Hockey League:

Steve Alley	Chicago Blackhawks
Paul Reifenberger	New York Rangers
Tod Hartje	Winnipeg Jets
Steve Magnusson	Calgary Flames
Dan Reimann	New Jersey Devils
Reg Berg	Toronto Maple Leafs
Nate Miller	Los Angeles Kings

The Anoka High School hockey program has also had two hockey players that have played in the Olympic games:

Steve Alley	1976 Olympics
Jeff Hymanson	1976 Olympics

The Anoka High School hockey program has a rich tradition of outstanding hockey players. The rich tradition will continue to grow because of the dedicated individuals within the Anoka Area Hockey Association and the high school level that put forth countless hours to insure the program continues to flourish.

# TO AN ATHLETE

There are little eyes upon you,  
And they're watching night and day;  
There are little ears that quickly  
Take in every word you say;  
There are little hands all eager  
To do anything you do;  
and a little boy who's dreaming  
Of the day he'll be like you.

You're the little fellow's idol;  
You're the wisest of the wise,  
In his little mind about you  
No suspicions ever arise;

He believes in you devoutly,  
Holds that all you say and do,  
He will say and do, in your way  
When he's a grown-up like you.

There's a wide-eyed little fellow,  
Who believes you're always right,  
And his ears are always open  
And he watches day and night;  
You are setting an example  
Every day in all you do,  
For the little boy who's waiting  
To grow up to be like you.
