

Snohomish Boys Lacrosse Club

PRESCREEN WELLNESS PROCESS

In efforts to mitigate the risk of contracting the COVID-19 virus, Snohomish Boys Lacrosse Club (SBLC) will follow prescreening guidelines and protocols prior to and during all small group training and inter-league competitions.

Prior to any event, every participant (player, coach, volunteer) will be pre-screened with a Temperature Check and Wellness Questions. All participants are required to wear a mask when they are on the field (unless State or County requirements are adjusted in the future).

PRESCREEN WELLNESS QUESTIONNAIRE

Player Name or Jersey Number is recorded.

Have you had any of the following symptoms or conditions in the last 72 hours?

- Cough
- Shortness of breath or difficulty breathing
- Fever of 100.3 degrees F/37.9 degrees C
- Chills
- Unusual muscle, body aches or fatigue
- Sore throat
- New loss of taste or smell
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea
- Recent contact with anyone who has tested positive for COVID-19?

Anyone displaying one or more symptom(s) that may be related to COVID-19 are requested to seek medical attention and provide professional clearance documentation before participating in lacrosse practices or activities.
