

# JR. SHARKS

## HOUSE LEAGUE

### 2023-24 WINTER SEASON

The Jr Sharks House League is excited to announce that registration is now open for the 2023-24 Winter Season! We will begin on-ice evaluations on Saturday, September 9th. Sign up quick to reserve spot and receive important evaluation and season details. Back again for this season, buddy requests may include a total of 4 players per request. All players in the request must request each other for it to be valid. Buddy requests must be made during the registration process and include first and last name of each player.

Back for another season, each JSHL team will have a Cuda Pro Experience game at TechCU Arena with in-game music, goal horn, use of the videoboard displays, and more. Also included are four tickets to a weekend Barracuda game after their Cuda Pro Experience. Lastly, there will be

a league-wide special event in the latter half of the season where JSHL families will be able meet Barracuda team, get autographs, and skate with the players. This is a memorable experience that your hockey player will never forget!

Details by age division, volunteer coaching information and player registration available at our homepage:
