

Mars Hockey Club Sponsorship Program 2025-26

Dear Community Business,

The Mars Hockey Club, a non-profit, parent run organization, will continue our preparation to field co-ed hockey club teams from the Mars Area School District for the 2025-26 season. Based on this plan we will strive to continue our mission for sponsorship support to grow the game with the sole purpose to support player training, development and team needs.

The club has a rich tradition of High School hockey excellence. Currently, the Mars Hockey Club has teams at the Varsity, Junior Varsity and Middle School levels. The Fighting Planets play in the Pennsylvania Interscholastic Hockey League (PIHL) and the hockey team is recognized as an official club sport by the Mars Area School District. For 2024-25 we will continue to expand our successful team offering with a U12 team that will compete at the Middle school level. We also commenced a development program this past summer that we expect will grow in years to come.

Our hockey teams have had tremendous success since inception in 1988. This includes Section Championships, #6 in 2019, 4-time Penguins Cup Champions and 2-time State Champions. For more on the history of the club, please visit our web site: <https://www.marshockeyclub.com/ourhistory>

As we kick off the 2025-26 season, we hope you will consider a hockey sponsorship. Your tax-deductible donation will go directly to the organization. Sponsorship is not only great advertising for your business, but also shows YOUR COMMUNITY SUPPORT!

We currently have three sponsorship levels, Hat Trick, Club and Family.

Hat Trick \$500	✓	✓	✓

Family \$150	✓		

Please contact one of our Board members or email to marsclubhockey@gmail.com for further details about the services the club provides, the sponsorship program, or visit our website at <https://www.marshockeyclub.com/sponsors> for any additional information.

We thank you for your support!

Sincerely,
Mars Hockey Club
