## MAKE UP WEEKENDS

Due to the typical weather conditions in April and early May, NEAAU Baseball tries to 'front load' the schedule with league games as inclement weather usually will force games to be made up later in the season. While for some age groups/division that are a few weeks between the end of the regular season and the playoffs for some age groups/divisions without any scheduled league games, those weeks will surely be used to make up games from earlier in the season cancelled or suspended due to inclement weather.

## Age Group Leaders

Each age group has an individual that will be your first point of contact should you have questions. Your age group leader should be contacted if you have questions regarding scheduling, rescheduling, disputes, rules, etc. both before and during the season.
